Hello Fraternal Brothers & Sisters of Moose Lodge 636

Well, another year has come and gone and on to 2019. This past year has seen many travesties during the California wildfires. As you may be aware, the Moose Lodge in Paradise was burned during the Camp Fire and will need to be completely rebuilt. Continue to watch for updates on how you as Moose members may help our Fraternal family rebuild.

Thanks to all those who donated canned foods, blankets and food for our four legged animals and our secret Santa for donating the many warm coats for the children. This year, with the help of the Tuesday Bingo players, our Lodge was able to make donations to the Toys for Tots, Eureka Rescue Mission, Salvation Army, St. Vincent de Paul and the Adult Day Care Center in Arcata.

It's now time to give some thought to becoming a Board Officers member, if interested, contact the Lodge Administrator for more information. Have a safe year and hope to see you at the Lodge.

Administrator's Corner

May all of you experience the happiest New Year.

I am hopeful that more of you will get involved this year so that we can bring more activities to the Moose. Our calendar of events is showing a lot of blank spaces and it is difficult to continually ask a few to do more. It is, however, encouraging to see some new volunteers enjoy their involvement enough to return. I have said this many times because I have seen it happen, and it happened to me! The problem is getting members to take that first step of getting involved. For those that do, a whole new experience is revealed. It is different when you become a part of this fraternity rather than a bystander who simply enjoys the work of others.

I have reiterated this for so long that I am even tired of hearing it. However, I want to assure you that Moose Lodges are closing all over the country at a rate that exceeds the past; and, the cause is most often a lack of interest and involvement by the membership. If you think you might like to get a little more involved, call me! Remember you will always control the amount of time you want to donate.

We are having a problem with members “forgetting” their Membership Cards. We cannot serve an alcoholic beverage to anyone that does have their card unless they are a guest by a member in good standing.
