Governors Word

Hello Fraternal Brothers & Co-Workers:

Summer has arrived and your board of officers is busy planning activities for our lodge members. Past Governor, Blaine Ryan is setting up a BBQ at the Humboldt Crabs baseball game on July 29th. The cost is \$12.00 for adults and \$8.00 for children. This event will be shared with McKinleyville Lodge.

Your lodge desperately needs your help. We are in need of help to repair the RV Park because of the excessive amount of rainfall this year. Some of the campsites need help, and we also need help to shore up the foundation of the Lodge home. Please contact the Administrator, Rich Newell, if you can help.

We also are in dire need for help in the kitchen, whether it is cooking, serving, or cleaning up after meals. We are in extreme need for Sunday breakfast help. All we are asking is 3-4 hours of help once per month. We don't want to lose what we have gained by the great service that has been provided by our core group of volunteers.

Fraternally, Dan Lovett, Governor

California Nevada Moose Association District News

The Autism Campaign continues in the execution phase, and we have contributions thus far from successful events held by McKinleyville Chapter 1114 WOTM, funds earmarked for the cause from Lodge 208 Legion Committee, funds earmarked for the cause from District #1, and a successful event held by the Lodge 208 Legion Committee, funds raised for the cause by the men and women of Lodge 208 McKinleyville during the Pony Express Days Celebration, and a dinner event held by the men of the Eureka Lodge 636 on June 10. Special thanks to Bob, Rich, Pat and Diane of Eureka for execution of the Dinner event.

We are flying by the seat of our pants to hold one more District Event in support of the Autism Campaign during a weekend in July at the McKinleyville Lodge. This will be designated "FAAN Night" in honor of our recipient organization, "**Families Advocating Autism Now**". We will be blessed to have in attendance autistic children and their parents, some of whom are officers of the FAAN organization. **The Dinner will be held on 7/28/17 at 5:30. The Autism Campaign rolls up on July 30 at 2:00 pm at the McKinleyville Lodge, where our Donation will be presented to FAAN. Press will be in attendance, with local newspaper and television crews on site.** We have sent a request for Dispensation to the Governor General to handle contributions at the district level.

Administrators Word:

Here we go! Summer activities at your lodge have started. Look at your calendar and join the fun. We have many visitors to our Lodge that are very impressed with our welcoming demeanor and our events. That is because many of our volunteers work hard to create a welcome atmosphere and provide plenty of activities. Unfortunately, we accomplish this by the activity of only a few great volunteers and, therefore, our future is uncertain.

Obviously, one of our most successful ventures is our Sunday breakfasts. However, we are losing key volunteers as a result of age, illness, exhaustion, etc. We need new volunteers. If you value your lodge, consider helping with breakfasts and dinners. We simply cannot continue to keep this lodge active with a diminishing number of volunteers. With over 300 active LOOM members, you would think that a couple of hours donated per month by different members would not be unrealistic. But, this is not happening, and we are in real danger of losing some of our Sunday breakfasts and limiting our dinners. When this happens, we will eventually lose our ability to keep this lodge open.

I know that you have heard this before; but, I assure you that this is a very real issue. I and many others have worked very hard to sustain this lodge because we believe that this is a worthy endeavor. The reality, however, is that the current situation simply cannot continue. We need your help. If you are not willing to get involved, even with a few hours of your time, this lodge will not be able to sustain its existence. What a shame! What a legacy this lodge will have made, what a history! Or, what a future! Let's talk! A Moose Lodge is the product of its active members. Maybe it is your time to become a part of the future. Maybe it is your time to make a difference! It is so easy to volunteer and we are so eager to help you. Call me at 443-1073 (lodge) or 444-3955 (home).

Rich Newell, Administrator

NEWS BRIEF

July/August 2017

Message from the Senior Regent:

I am addressing this letter to all Eureka Moose co-workers and sisters for being a part of this great family fraternity and particularly the Women of the Moose Chapter 752. We offer friendship and a lot of fun events such as dancing Monday and Saturday nights, bunco on a Friday night, Line dancing on Thursday night at 6:30, Bingo on Tuesday night 6:00 for early birds, and great dinners and of course Breakfast every Sunday and as you know, always fresh, at affordable prices, just to mention a few.. In a very safe environment and we welcome children. In addition we are actively involved with supporting the community.

All of our work is accomplished by volunteers. I particularly want to thank those few who tirelessly volunteer. Too many of our members do not get involved and therefore never realize the sense of belonging, accomplishment and camaraderie that come with involvement. It is so difficult to explain to members how much the Moose experience is enriched by getting involved.

I invite you to not miss this opportunity to really understand the fraternal experience by getting more involved with your chapter. We need your help. You don't have to commit your life - an hour or two will help this chapter survive and, I guarantee will greatly enhance your experience. You could start simply by attending a chapter meeting the first and third Wednesday nights. These meetings provide to you and opportunity to vote and shape our future. You will also learn what challenges we face as well as opportunities we have. Most importantly you will enjoy socializing, meeting new friends, and the opportunity to help others.

For this year I have several committees the need help. Many of these would involve only a couple of hours work. Watch your calendars and join me at the next chapter meeting.

Thank you

Sheila Stickney
Senior Regent

THANK YOU

THANK YOU!

Marie and I would like to thank all of those who were involved (especially those that kept the secret quiet) for the beautiful recognition plaque and the generous gift card. As many of you know, when you join the Moose and begin to become active in the Lodge, we do not do it for recognition or awards (just ask any officer). We do it for everyone in the lodge as well as the entire fraternity. When we do receive an award or recognition, it is always a big surprise. This one sits right at the top of the list! Marie and I humbly thank all of you for this great honor.

Fraternally,

Rich and Marie Wooten.

On behalf of the Eureka Moose Lodge, I thank our special Moose members, Robert and Bonnie Sanderson, for their generous donation of \$250.00 for help with the repair of the RV park. We are fortunate, regardless of this donation, to have these great people as members of our Lodge.

Eureka Lodge Administrator, Rich Newell
