## Governors Word

Hello Fraternal Brothers and Sisters

I would like to thank you for your support in electing me for the new year as your Governor. Thank you to Brother Blaine Ryan for your past year of service to your Lodge as Governor. Thanks to the past Board of Officers for their continued dedication to our Lodge. Projects such as the ATM and the surveillance system help to bring our Lodge up to the standards expected by our members. I am looking forward to working with the new Board of Officers and the Lodge Administrator to continue to complete the many projects that still need the Boards attention

Congratulations to the new Board of Officers and the new Board for the Women of the Moose. Both of these Boards need your input and support to continue to operate your lodge in the way that is expected of them by our members. Thanks to ALL who volunteer, your dedication to your Lodge is very much appreciated.

Fraternally, Dan Lovett, Governor

California Nevada Moose Association District News

Having attended the CNMA mid-year conference this year for the first time as district president, I had some interesting interactions. At the District President's and Committee Chairman Luncheon I found myself seated with Gail Marlatt, Territorial Manager and Liaison, Joe Rigazio, CNMA Vice President, and John Capes, Director of Moosehaven. Gail will be visiting the area in June for an event at the Eureka Lodge. John Capes extended an invitation to anyone attending the International Moose Convention to also visit Moosehaven. Joe and I had interactions concerning the effectiveness of our district meetings. At another point in time I had interactions with Derrick Morris, President of the California/Nevada Mooseriders. Derrick has a keen view on how to get things done within the Lodge, Legion, and District domains. The Mooseriders are a huge force in charity work, and I have been a member since I met Derrick at the previous CNMA conference. Finally, I had some interaction with Norm Dean, Regional Manager. In response to a question regarding California Prop. 64 Marijuana Legalization, Norm stated he gets this question a lot, and that pot is illegal from a Federal Prospective and therefore use of marijuana is prohibited on Moose property.

The Autism Campaign is now in the execution phase, and we have contributions earmarked from the McKinleyville Lodge Legion Committee as well as a successful event held by Chapter 1114 WOTM. The Ladies are doing a great job on the joint cause. We have crafted a request for Dispensation to the Governor General to handle contributions at the district level.

The WOTM, Eureka, have executed an event for First Responders which yielded Ten Thousand Dollars in contributions to local first responder entities. Needless to say: I want them on my team.

New officers have been installed at the Lodges and Chapters of the District and I look forward to working with each of you in the performance of Fraternal Business.

Mitch Williams, District President

## New Members for May & June

From the Desk of the Administrator;

May 1, 2017 we start a new year. Congratulations to the members that have stepped up to the Board of Officers. This is probably the most important and least appreciated volunteer work you can do for the Moose Lodge. We have taken some steps forward in the past year, but, we have some significant challenges to address in this new year. There is a portion of the lodge roof that we are committed to replacing. More seriously there is the lodge foundation that is in dire need of repair. We can accomplish these goals only through your support.

This is a unique lodge; we are committed to our membership above all else. Compare our prices in the social quarters and dining room— You won't find anything comparable. That is because this is your lodge, and You are the only thing that matters. By the same token, it is only through the dedication of our membership that we can accomplish what is needed. With enough of you that step up, there is nothing we can't accomplish.

Take a look at your Lodge, look at its history, look at its value to you, look at its community value; then, if you value this, ask how you can contribute, ask how you can be a part of preserving this rare institution, ask how you can make a small difference.

Don't hesitate; tell us your ideas, tell us how you would like to help, tell us you approve of the direction our lodge is going or suggest an alternative direction. Then, and only then, will you realize the Eureka Moose Lodge and your value of belonging to the family! Please get involved today! Call me at 443-1073 or at my home 444-3955. No idea and no offer of help will go unheeded.

Fraternally, Rich Newell, Administrator

## NEWS BRIEF

May/June 2017

### Message from the Senior Regent:

This marks the start of a new Moose year: As your new Senior Regent, I want to express to you the heartfelt love I have developed for this Lodge. I particularly am enamored with the accomplishments of the women before me, and, I want to continue in this spirit. There is so much we can accomplish. There is so much this women's chapter can do. But, in spite of how many hours I can contribute, I cannot go forward without your involvement. Look at the success of the recent first responder fundraiser that was just accomplished by only a few women. Look at the value to the community and reflect on the pride of the WOTM as a result.

Basically, we can accomplish anything with your help, "teamwork." Help me make this year a year that makes a difference. I will welcome your help, your ideas, and even your criticism. But, don't just sit back, nothing changes without your insight your ideas, and your involvement. When you have an idea, be prepared to help implement it. After all, if you aren't motivated enough to get involved what makes you think anyone else will carry the ball?

Please come to the next meeting at 7:00 pm. On May 3, 2017 – This is your time to be heard!

Sheila Stickney  
Senior Regent
