## Governors Word

Hello Fraternal Brothers and Sisters,

Well, another year has come and gone as your Governor, so I want to thank our Board Members for their dedication to our lodge. The election for the new Board was held on April 4th with these results, Governor: Dan Lovett, Jr Governor: Russell Mills, Prelate: Brandon Ray, Treasurer: Ed Dare, 1 Year Trustee: Jim Wilson, 2 Year Trustee: Tom Fridley, 3 Year Trustee: Steve Caprile, and Patrick Bent as the Past Jr. Governor. Tom Fridley and Ed Dare are returning board Members with Jim Wilson coming on as the brand new Board Member. I look forward to working with these members. I want to thank Bob & Hilton for your past year of dedication to our lodge.

This year the lodge will be trying something new. We plan to sell fireworks, and need volunteers to help man the booth. It will require at least four hours of your time, and you will be rewarded. Please contact Richard Newell if you are interested, The booth will be open on June 28th and closes on July 5th.

Our Membership has been hit hard by the losses to our Fraternal Families. We have many who are recovering from their illness". Marie Wooten is recovering at the Eureka Health & Rehabilitation Center , she a accepting visitors. Ed Dare is recovering at home from heart problems & Kathy McGregor & Sharon Bostwick are dealing with illnesses. Please keep them and any others not mentioned in your thoughts.

Have a safe and enjoyable summer. We hope to see you around your lodge

Dan Lovett Governor

## A Word from the Administrator:

May 1 starts a new fiscal year for the Lodge. Last year was eventful. Certainly, one of the major events was the difficult decision by the women to close the Women of the Moose Chapter 752. Many women members have already received new Moose cards reflecting their change in membership to McKinleyville Chapter 1114.

For many of you that is confusing. For the past several years the Eureka Women's Chapter has been suffering from a lack of involvement by the women members. This, coupled with the extreme rules and requirements for women's Moose chapters, resulted in the women no longer being able to keep the chapter viable. This was a difficult decision for the women who have been involved in this lodge for so long. But, please understand that at the heart of this decision was Fraternalism. The women recognized that without the burden of trying to satisfy the strict and absurd demands of sustaining the women's chapter, they now could work together with the men for one common commitment; the survival and prosperity of the Eureka Moose Lodge!

While I am sorry to see the women's chapter close after so many years, I understand and support this decision. It has long been said that if the men were held to the same absurd requirements as the women, there would be no Moose Lodges. One thing is clear: Without volunteers no fraternity will survive. Let's not let that happen to the Eureka Moose Lodge. Please get involved and help us into the future. Please also understand that it is irrelevant what your Moose card says is your chapter or lodge. As a Moose you are, in essence, a member of all Moose lodges. Certainly you will continue to be a valuable and necessary asset to the Eureka Lodge. We expect no change in this Lodge other than now all the work by the men and women will be in support of one goal, one cause, and one direction – "Success." I look forward to working with all of you into the future, and I am here to answer any concerns you have.

Best Regards, Rich Newell
