Hello Fraternal Brothers and Sisters,

The weather is changing and the wet raining days are ahead. The Lodge is ready due to the completion of the new roof over the dinning area. Remember Daylight Saving Time will be ending on Sunday Nov. 5th so set those clocks back one hour. This means the darkness will com earlier, so drive careful and remember the speed limit on the Lodge property is 7 miles per hour.

As many of you may have heard, the Women of the Moose Chapter is folding due to a lack of response of the women not being able to fill the positions of their board. The women are an essential organization of the Moose Family. Although the Chapter may fold, the women are still a large part of the Lodge and we hope they continue supporting the growth of this Lodge. Thank You to the many women over the past years for your commitment to the WOTM..

On November 10th , the country has set aside a special day to celebrate the many men and women who have given so much of themselves to protect our freedom. The Lodge will be celebrating these Hero's with a special dinner on November 11th, please come and help us than our members.

November 5-11 is member retention week, if you have signed up a member and they have not resigned, please contact them. We want them to continue to be a part of the fraternal family.

We still need many volunteers to help with planning dinners or help in other ways. It's important to be a part of your Lodge. We have asked may times for your help, please consider volunteering at a meal or even working as a bartender for a few shifts. As always be courteous and patient with our volunteers. And THANK them for their service. Your Board of Officers
THANK YOU!

Fraternally,
Dan Lovett
Governor

California Nevada Moose Association District News

The fall conference was held in Reno. I took away a sense of fraternalism from the conference which was profound. One Administrator and District President, whom I had seen at the Tampa Convention and who seemed well and fine, showed up at Reno on a walker, barely able to get around but steadfastly determined to participate in the goings on. The man had suffered a stroke but insisted on taking part in the proceedings. There are many senior officials in CNMA who are in such a state – sometimes barely able to walk but who insist on doing good for the Order and their communities. Such an inspiration...

And speaking of inspirational observances: **Tanya Gentleman** received her **Green Cap** in front of a large ballroom of people, some of them proud observers from her own Chapter #1114 and Lodge #208, McKinleyville.

In the last District News I mentioned that the joint Autism effort had not gone unnoticed by the California Nevada Moose Association or the local community: the effort had been covered by local television and newspaper media and a short article had been submitted to Moose Magazine for possible publication. That perception was correct as you all now have a voice in the Association's Charitable Concerns. **The California Nevada Moose Association, recognizing the efforts of the Eureka Lodge, McKinleyville WOTM Chapter, McKinleyville Lodge, McKinleyville Legion Committee, and District #1 at large,** have appointed me as Committee Member, Heart of the Community Committee, California Nevada Moose Association. We now have a voice and positive influence in community efforts in some 115 Lodges in California and Nevada. Congratulations all.

Mitch Williams,
District President

ADMINISTRATORS CORNER

Every two months I have to sit and think about something profound to put in the newsletter. I think I just realized that it hasn't worked yet! Nevertheless, we are entering the Holiday season, with lots of scheduled activities. So why not just review the fun things that are in the calendar for November & December and make it a point to visit your lodge to enjoy the fun.

Or, better yet, you all know by now that the only limit to the fun events we have and the success we experience in this lodge is the lack of help. Why not resign yourself to fix that right now. I'll bet there are functions that you would enjoy helping with. So, men or women pick one; breakfasts, dinners, bingo, whatever: Call me at the lodge and say you would like to help. No offer of help will be ignored. It is your help that builds this moose family. I guarantee that you will enjoy the experience, make new friends, and make a real difference. Happy Thanksgiving and Merry Christmas.

Fraternally,

Rich Newell, Administrator

NEWS BRIEF

November/December 2017

From the Desk of the Senior Regent:

Hello sisters and co-workers,

The Thanksgiving and Christmas holiday season is upon us. This is a time when everyone is in a hurry and often times we tend to forget the real meaning of these holidays. Why not slow down this season and enjoy family and friends. This is a great time to share with friends at your Moose Lodge.

This is also a time of giving. You should be proud that your Women of the Moose chapter is giving two \$75.00 gift certificates to families in need for both Thanksgiving and Christmas. Please let me know of families that might need these certificates. We are also donating \$500 to the Salvation Army to help feed those in need and another \$500 to senior citizens.

It is certainly a happy experience to be able to help those in need. **Unfortunately, this is also a very sad occasion. The Eureka Women of the Moose, Chapter 752 Board of Officers have voted to transition this chapter into the 3000 Club.** We simply have not had and do not have the volunteers to continue. Please do not be alarmed; for most, you will experience very little change in your membership in the Moose. In general, rather than operating alongside the men of the Loyal Order of the Moose, we will be working together to make this Lodge more successful for all of us. This is a very bold step, so I encourage all women members to attend the meeting on Wednesday at 6:00 pm. November 08, 2017 to learn as well as express your concerns. Please look for a special mailing regarding this meeting.

Thank you

Sheila Stickney
Senior Regent
