Governors Word

Governor's Word

Hello Fraternal Brothers:

Well it is hard to believe that the summer of 2015 has come to an end. With warm weather settling in the valley, the lodge RV park has been very busy. It's nice to have our fraternal families from other lodges visiting with us. But, with summer ending, that means Fall and Winter will be upon us.

In August we held our annual picnic, BBQ and Chili cook-off. The competition was tough and fun was had by all. Unfortunately, this year's attendance was down – we can do better, so please plan on attending next year, possibly participating in the planning or execution of the event.

As of this letter we have not as yet held our Pharmacy Wellness event. There will be local pharmacies and pharmacists attending. There will be programs for kids, and backpacks and school supplies will be given away. HWMA collects and disposes of pharmaceuticals and metal sharps. We will continue to collect school supplies and backpacks through September. Your donations will certainly be appreciated.

Your Lodge needs your HELP, please consider volunteering at a meal or even helping with bartending. As always please be courteous and patient with our volunteers: They are the backbone of this Lodge. Thank them for their service.

Fraternally, Dan Lovett, Governor

Administrators Corner

From the Administrator's Corner:

Recently two representatives for Moose International visited our Lodge. They remarked that our Lodge is one of the most beautiful lodges they have seen. Of course, we all know this. What you may not know is that your Lodge is losing members and volunteers. Without volunteers we cannot do the things that bring members into the Lodge or elicit the interest of new members. If you care about this Lodge, please get involved and volunteer in its survival. We need volunteers for bartending, cooking, serving, dish washing, event planning, decorating, participating in the Board of Officers, and all sorts of other activities. Volunteering for just one thing can make a difference.

The annual picnic was a lot of fun, but, it could have been so much more if members were more involved. The chili cook-off is still popular. Congratulations to Chris & Misty for winning judge's pick first place again. Barbara Fields and Chris & Misty also tied for first place, popular pick. I know there are other chili cooks out there that need to join this competition next year. Please take note of the Octoberfest on October 10, this may include McKinleyville Lodge. We can use your help. Also note that there will be a Halloween costume party on October 31. This is a potluck and many Halloween decorations will be for sale to benefit WOTM. Lastly, we have enjoyed the music of "Real Country" and would like to have them on a regular basis, but, unless you show your support for this band by donating to them, we may not be able to keep them.

Fraternally,
Rich Newell
